Greetings Family,

We are so excited to announce our first group of San Jose Student Ambassadors representing students in grades 8-12. In order to qualify for this role, these students had to fill out an application, get two teacher recommendations, have a 2.5 GPA or higher and not have any discipline referrals. The San Jose Student Ambassadors will be the face of our school at various events and will also be facilitating the morning announcements at school. We are very excited about growing future leaders.

Due to the hurricane and week lost from school, the end of the first 9 weeks is October 18th. Student had until today, with few exceptions to turn in missed assignments. Report cards will be going home on Thursday, October 26th.

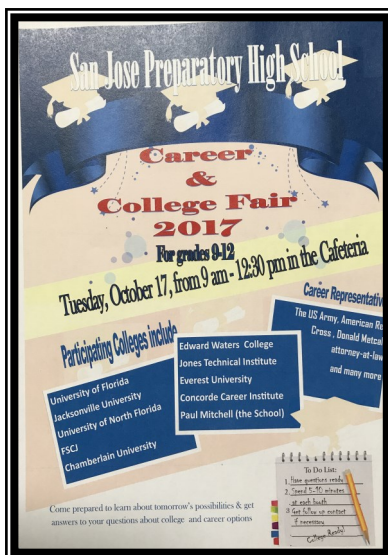

Next week we will be hosting our first annual College and Career Day for our 9-12th grade students. We are very excited to have 13 participants from various local colleges and businesses. Flyers were sent home with students with a list of our participants.

Just a reminder, Monday is the first Teacher Planning Day, which means students get to stay home and enjoy a three day weekend with their families.

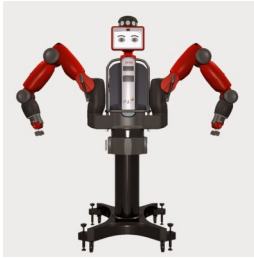

Thanks for all you do!!!

Mrs. Aponte
