#### AP US History

Ms. Zumot will be available for tutoring on Tuesday during 1st period planning and after school until Wednesday.

Dear San Jose Families,

It is hard to believe next week we will already be in the final full month of school. Where did the year go? This year has been filled with busy days and exciting new adventures. I am very proud of the efforts of my faculty and staff to keep the ship on course and remaining positive and dedicated to student growth and learning.

As we look ahead into next week we are continuing with state testing, and there will also be an AP exam in US History. Students will need to continue to work hard and finish the year strong. Once all of the assessments are over, teachers will engage students in various creative projects and activities to finish the year on a high note. As soon as we receive the scores from the State and College Board Exams, we will send the results home.

Progress reports will be sent home on May 2nd. In a few cases you will be receiving a letter indicating that your child is in danger of being retained. Those letters will be sent home with the Progress Reports. The end of the fourth nine weeks will soon be here. If you have any questions about your child's grades, feel free to contact their teacher directly.

Tickets for the talent show are available on EZ Pay. Remember, tickets are \$3.00 in advance and \$5.00 at the door. We will have a concessions stand available. We hope you can come out and support our students as part of the audience. Have a great weekend!!

Respectfully,

Mrs. Carolyn E. Aponte

School days remaining!
