Dear San Jose Family,

On Thursday we held Talent Show auditions and I must say that our school is filled with a plethora of talented kids. I have added the flyer with all of the information you will need on the second page and hope you can join us. The final number will be performed by some of our faculty so you don't want to miss it.

As you know, we are a uniform school. Students should be wearing a polo shirt with khaki colored, cotton slacks, skirt, skort or shorts or black cotton slacks, skirt, skort or shorts. Straight leg pants are not part of the uniform. We are asking for your support in ensuring that your child/children come to school wearing their full uniform.

The ballots have been counted and we are very excited to announce our **2018 Teachers of the Year**.

Our Middle School winner is Mrs. Veronica Allende-Ayad. Last year she taught 6th grade and this year she is the Coordinator of Student Services which supports students with an IEP, 504, and those identified as ESOL. She is an 18 year veteran in education.

Our high school winner is last year's class of 2017 Teacher of the Year, Mr. Richard D'Amico. He teaches English and debate. He is a 10 year veteran in education. Please join me in congratulating these individuals as this is a much deserved win for both.

Our tag line for this school year is "It's Possible!" It is catching on with our students so we will continue to do all we can to keep your child encouraged and hold them accountable to doing their best every day because, **"It's Possible!"**
